

Managing Director of Investments

RMG Associates is an executive recruiting firm specializing in ultra-high-net worth (UHNW) family client financial advisory. We are the exclusive recruiter for this search.

Top 10 Multi-family Office is looking for a Managing Director of Investments based in New York, NY. This firm has over \$25B in AUM and is establishing a new office in NYC. This is an exceptional opportunity as it is a crucial position for the firm. The candidate will be expected to have an impactful and highly visible role with the firm's most affluent clients as well as internally within the company and in the industry at large.

It is imperative that the candidate have substantial subject expertise in investment management—particularly in alternatives. The candidate must have deep technical proficiency in capital markets and have managed a significant amount of money with UHNW client investors. Ideally, this position is a strong fit for a candidate who has been a CIO or on a career path to that responsibility in his or her next role.

The candidate must have strong communication skills and be adept at reducing complex ideas to easily understood concepts. He or she must be able to speak with clarity and develop trust with patriarchs/matriarchs and other key multi-generational members of client families.

The successful candidate will have an established reputation and pedigree, be recognized as a thought leader, and highly respected in the industry. The Managing Director of Investments will be a significant contributor and leader in building a team and direct reports.

Minimum Requirements:

- 10-15 years Investment/Asset Management (with authority)
- Expertise in Hedge Funds and alternatives
- CFA or CAIA or CIMA, graduate degree preferred
- Extensive experience with UHNW clients, prior work with clients with \$100MM+ in investible assets preferred
